

home if you don't have the cash up front—they will kill your family if you don't pay—or you work it off. You work it off by trafficking drugs across or trafficking children or trafficking women across the border. There is nothing compassionate about that.

Mr. ROY. One of my good friends who was a former Texas Department of Public Safety expert on these issues dealing with cartels just sent me a text showing me video from last night at the border, and individuals they were recording were saying they were paying \$3,000 or \$5,000 to get across the river.

How is that compassionate?

They are going to have to make a monthly payment to cartels. A lot of those payments are going to come in the form of sex trafficking and labor trafficking.

I have about 1½ minutes remaining. I would just say—and I thank my friends for joining me down here on the House floor—that this is a solvable problem right now. This could be stopped right now. It could be stopped right now.

Mr. PERRY. This hour.

Mr. ROY. This hour. This moment.

But where is President Biden?

Where is Secretary Mayorkas?

Other than purposely ignoring the laws of the United States to endanger the American people and the migrants who seek to come here, where are they?

And why shouldn't we be impeaching Secretary Mayorkas for failing to faithfully execute the laws of the United States and causing death and destruction to Americans' property and to American people in the form of drug overdoses, in the form of the endangerment of our citizens and, again, the migrants who seek to come here?

I would ask that question of all my colleagues on the other side of the aisle: You can take this back and wrestle it away from the administration. Sign that discharge petition. Let's have a vote. Let's have a debate.

What are my colleagues afraid of?

The truth?

What are they afraid of?

The rule of law?

What are they afraid of?

A secure America?

Migrants who get to come here safely?

Put aside the politics and stand up for our country. That is our job as Members of the House of Representatives.

Mr. Speaker, I thank the gentlemen from Virginia and Pennsylvania for their leadership.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

Members are reminded to address their remarks to the Chair, not to a perceived viewing audience.
